## 22. KRČKA JEDRA 13.- 15.8.2019.

### Edukativano zabavno-sportska manifestacija

**Manifestacija Krčka jedra** organizira se u gradu Krku od 1998. godine. Radi se o regati tradicijskih plovila kojoj je cilj očuvanje i prezentacija bogate maritimne baštine otoka Krka i šire. Ova regata jedna je od najstarijih takve vrste na našoj obali. Godine 2015. organizatori su osvježili tradicionalno događanje novim programom pod nazivom „**Noćni ples barki**“. To je noćno promenadno jedrenje tradicijskih plovila u krčkoj luci, kako bi se još bolje prezentirale tradicionalne barke brojnim gostima. „Noćni ples“ tradicijski barki je promenadno paradno jedrenje pod svjetlima reflektora uz prigodni glazbeni program te recital o moru za kojeg su zaduženi su Antun i Petromil Stašić u pratnji Maestro Orchestra. Glazbeni program izvodi se na jednom od brodova, što uz birana djela klasične glazbe i prigodni recital o moru doprinosi jedinstvenosti atmosfere. Program dodatno oplemenjuje prigodni vatromet.

**Regatno jedrenje** održava se tradicionalno na blagdan Vele Gospe, 15.8., a start je točno u podne, na dvanaesti otkucaj zvona sa krčkog zvonika. Nakon sportskog dijela, slijedi zabavni program uz živu glazbu, kao i edukativni program, izložba fotografija te radionice pomorskih vještina i veslanja.

## 22<sup>ND</sup> KRK SAILS 13.-15.8.2019

### Educational, entertaining and sport event

**Krk Sails Event** has been organized in the town of Krk since 1998. It is a regatta of traditional vessels, one of the oldest of its kind on Adriatic coast whose aim is to preserve and present the rich maritime heritage of the island of Krk and wider.

In 2015 the organizers decided to refresh this traditional event and introduced a new program - **“Boats Night Dance”** - the night promenade sailing of traditional boats in the port of Krk aimed to a better presentation of the traditional boats to numerous visitors. “Night Dance” of traditional boats is the promenade flagship sailing under the reflector lights with occasional musical program and recital about the sea performed by Antun and Petromil Stašić accompanied by Maestro Orchestra. The music program is performed on one of the boats which, accompanied by carefully selected pieces of classical music and occasional recital about the sea, contributes to the uniqueness of the atmosphere. The program is additionally ennobled by occasional fireworks.

**Sailing regatta** almost traditionally takes place on the Feast of Assumption of Our Lady on August 15th, starting at noon, on the twelfth beat of bells from Krk bell-tower. After the sports part the visitors will be able to enjoy the entertainment program with live music, but also the educational program, photo exhibition and maritime skills and rowing workshops.
